

# Heart “Poppy the Mouse” Craft

## Supplies Needed:

-  White and Pink Paper
-  Pipe cleaner
-  Glue stick
-  Wet Glue
-  Google eyes
-  1 White Pipe cleaner
-  Scissors
-  Pencil
-  Heart Mouse Patterns

## Directions:

1. Trace Patterns with a pencil:
  - a. Trace Large Pattern two times on White Paper.
  - b. Trace Small Pattern three times on Pink Paper.

2. Cut out Shapes

3. Using wet glue, add the 2 Google eyes

4. Glue the small pink heart onto the tip of one big heart to make a nose with a glue stick.

5. Add two small upside down hearts to the bumps of the same heart to make the center of the ears with a glue stick.

6. Glue on the face heart onto the top of the last large heart so the bumps overlap (the tip of the face and the tip of the body should face out).

7. Using wet glue, add a curled pipe cleaner for the tail.
